Dear Sir/Madam,

Congratulations on your organisation's successful and continued ISO 9001 Certification. We have great pleasure in enclosing your ISO 9001 certificate (**Certificate No: QMS SG/08/1336911379**) to reflect compliance with ISO 9001:2008.

Achieving ISO 9001 makes a positive statement to prospective customers about your organisation's policy towards quality and the importance you place on meeting your customers' needs whilst adhering quality standards.

As indicated during the assessment, this certificate is covered by UKAS accreditation, as such, you are now entitled to apply both the ACS Registrars Ltd ISO 9001 and the UKAS logo on any materials that fall in line with the current use regulations. The ACS Registrars Ltd logo can be downloaded from our website at www.acsregistrars.com.
